## CIVIL SERVICE ANNUITY FUND.

**NOTICE.**—The Managers of this Fund have received through the Government, Copy of a Despatch from the Hon'ble Court of Directors, dated 15th March 1843, wherein referring to the addition to Rule 15, adopted by the Subscribers on 30th July 1842, the Court propose an Amendment, (both Original and Amendment are below published,) premising it with the following observations:—  
“It is possible that a rule inflicting a fine, absolutely and without any provision for remission, might sometimes operate inconveniently to the interests of individuals, but we are of opinion that much greater evils will be likely to arise from entrusting to the Managers or the Service generally, a discretion, as to the infliction, or remission of the fine. Every person incurring the fine will apply to be exempted, and whatever may be the decision of the Managers on his application, the probability is, that an appeal to the Service will be made either by the Applicant, if his request be refused, or by some other Subscriber if it be granted. The result will be the multiplication of disputes: the creation of ill feeling among the Subscribers, and the consumption of much time in a manner calculated only to encrease and perpetuate irritation. The operation of personal feeling in the decision both of the Managers and the Service, will also be invariably suspected, however unjustly, and we cannot believe the Subscribers on further reflection will be willing to adopt a rule which will open a door to so much evil.”

### *The Court's Amendment of Rule.*

“If any Subscriber, to whom an Annuity has been reserved under his application and declaration to resign the Service, shall subsequently withdraw or retract his application and declaration, or refuse to accept the Annuity so reserved, or if he shall continue in the Service beyond the time limited by the rules of the Fund, he shall forfeit the sum of Co.'s Rs. 10,000 (Ten Thousand,) to be at once deducted from his Subscription account with the Fund, and the sum so forfeited to be available for the general purposes of the Fund.”

**Note**—The Court admonitory remark—“The Subscriber who takes the Annuity which shall so lapse, must not, however, resign the Service and succeed to the Annuity, until three months after the Government shall have been informed of his intention to resign.”

### *Rule adopted at Meeting of 30th July, 1842.*

“In substitution of the rule requiring the declaration upon honor, it is hereby further provided, that if any Subscriber to whom an Annuity shall have been reserved under his application and declaration to resign the Service as above, shall subsequently withdraw or retract his application or declaration, or if he shall continue in the Service beyond the time (viz. 1st July,) limited by the foregoing rule he shall, unless for special reasons he be exempted by the Managers subject to an appeal to the Service by the individual in question or by any Member of the Fund, forfeit the sum of Co.'s Rs. 10,000, to be at once deducted from his Subscription account with the fund. The sum or sums that may be so forfeited shall be carried to the Credit of the Unappropriated Funds of the Institution, and be held available for the general purposes of the Fund.”

The Managers accordingly hereby give Notice, that a Special General Meeting of Subscribers will be held at the Town Hall, on Saturday, the 29th July next, at 11 o'clock, A. M., (or immediately after the Civil Fund Meeting,) for the purpose of considering the adoption of a Rule to the effect of the Amendment proposed by the Hon'ble Court.

## OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

*First.*—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

*Second.*—Letters and Newspapers addressed to France as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

*Third.*—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 14th June 1843, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. IX. OF 1843.

*For the Incorporation of a Bank at Madras.*

Whereas the Hon'ble Court of Directors of the East India Company, by and with the approbation of the Board of Commissioners for the Affairs of India, has directed the abolition of the present Government Bank at Madras, and in lieu thereof has sanctioned the establishment of a Bank at Madras on the principles hereinafter set forth, and has required the Government of India to pass an Act of Incorporation for the same;

I. It is therefore hereby enacted, that from the 1st day of July next ensuing, in the year of our Lord 1843, the persons whose names are included in the Schedule hereunto annexed, having severally subscribed and signed their acceptance of the terms of incorporation specified in this Act, and with the Government of Madras on the part of the East India Company having paid into the Government Treasury the amount of Capital Stock subscribed by them respectively and taken receipts for the same from the Sub-Treasurer to the Government of Fort Saint George shall, together with the Governor in Council for the time being of the Presidency of Madras, be a Corporation Body Corporate and Politic by name of the Bank of Madras, with perpetual succession to them and their successors as Proprietors for the time being of the said Bank as hereinafter mentioned and provided, and shall possess and enjoy all the rights, privileges, and immunities incident by law to a corporation aggregate.

Provided however that it shall be lawful to the Governor General of India in Council at any time before the 1st of September next, to rectify any errors in the Schedule of the said Proprietors by notice in the Official Gazettes of Calcutta and Madras, so that no alteration be made in the principles upon which such Schedule has been framed.

II. And it is hereby declared and provided, that if any of the persons whose names are in the said Schedule shall have failed to make good their subscriptions on or before the 1st day of May last past, the Shares to which such names are attached were claimable and might be taken by the persons who having made applications for Shares which were received after the prescribed amount of Capital had been taken and subscribed for by the parties in the said Schedule, had been permitted to have their said applications registered as received: and the Shares which shall have so lapsed having been tendered to such applicants in the order of such registry according to the list given in to the Governor in Council at Fort Saint George, shall be and are the property of such persons provided they shall have in the manner heretofore mentioned paid up their subscriptions on or before the 20th day of May last past. And in the event of there having remained any unpaid Shares after the parties whose names had been so registered had thus had the option of completing the payments due on such Shares, then such remaining unpaid Shares are declared to have been at the disposal of a General Meeting of the Proprietors convened for that purpose: And it is hereby enacted, that the persons who shall have become the Proprietors of the lapsed Shares in the manner above provided or by an appropriation made at such General Meeting of Proprietors by payment of the amount subscribed shall be considered to belong, and shall to all intents and purposes belong to the Corporation Body Corporate and Politic by name of the Bank of Madras, and shall possess and enjoy all the rights, privileges and immunities the same as the persons according to the Original Schedule who shall have paid up their Subscriptions on or before the 1st day of May last past. AND it is hereby declared and required that as soon after the promulgation of this Act, as may be practicable, the Governor in Council at Fort Saint George shall publish in the Official Gazette of that Presidency a Schedule of the Proprietors of the Bank of Madras as incorporated under the provisions of this Act, and that the same shall be transmitted to be republished in the Official Gazette of Calcutta.

## CIVIL SERVICE ANNUITY FUND.

**NOTICE.**—The Managers of this Fund have received through the Government, Copy of a Despatch from the Hon'ble Court of Directors, dated 15th March 1843, wherein referring to the addition to Rule 15, adopted by the Subscribers on 30th July 1842, the Court propose an Amendment, (both Original and Amendment are below published.) premising it with the following observations:—  
 "It is possible that a rule inflicting a fine, absolutely and without any provision for remission, might sometimes operate inconveniently to the interests of individuals, but we are of opinion that much greater evils will be likely to arise from entrusting to the Managers or the Service generally, a discretion, as to the infliction, or remission of the fine. Every person incurring the fine will apply to be exempted, and whatever may be the decision of the Managers on his application, the probability is, that an appeal to the Service will be made either by the Applicant, if his request be refused, or by some other Subscriber if it be granted. The result will be the multiplication of disputes: the creation of ill feeling among the Subscribers, and the consumption of much time in a manner calculated only to increase and perpetuate irritation. The operation of personal feeling in the decision both of the Managers and the Service, will also be invariably suspected, however unjustly, and we cannot believe the Subscribers on further reflection will be willing to adopt a rule which will open a door to so much evil."

*The Court's Amendment of Rule.*

"If any Subscriber, to whom an Annuity has been reserved under his application and declaration to resign the Service, shall subsequently withdraw or retract his application and declaration, or refuse to accept the Annuity so reserved, or if he shall continue in the Service beyond the time limited by the rules of the Fund, he shall forfeit the sum of Co.'s Rs. 10,000 (Ten Thousand,) to be at once deducted from his Subscription account with the Fund, and the sum so forfeited to be available for the general purposes of the Fund."

**Note.**—The Court admonitory remark—"The Subscriber who takes the Annuity which shall so lapse, must not, however, resign the Service and succeed to the Annuity, until three months after the Government shall have been informed of his intention to resign."

*Rule adopted at Meeting of 30th July, 1842.*

"In substitution of the rule requiring the declaration upon honor, it is hereby further provided, that if any Subscriber to whom an Annuity shall have been reserved under his application and declaration to resign the Service as above, shall subsequently withdraw or retract his application or declaration, or if he shall continue in the Service beyond the time (viz. 1st July.) limited by the foregoing rule he shall, unless for special reasons he be exempted by the Managers subject to an appeal to the Service by the individual in question or by any Member of the Fund, forfeit the sum of Co.'s Rs. 10,000, to be at once deducted from his Subscription account with the fund. The sum or sums that may be so forfeited shall be carried to the Credit of the Unappropriated Funds of the Institution, and be held available for the general purposes of the Fund."

The Managers accordingly hereby give Notice, that a Special General Meeting of Subscribers will be held at the Town Hall, on Saturday, the 29th July next, at 11 o'clock, A. M., (or immediately after the Civil Fund Meeting,) for the purpose of considering the adoption of a Rule to the effect of the Amendment proposed by the Hon'ble Court.

LEGISLATIVE,  
THE 14TH JUNE, 1848.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 14th June 1848, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. IX. of 1848.

*For the Incorporation of a Bank at Madras.*

Whereas the Hon'ble Court of Directors of the East India Company, by and with the approbation of the Board of Commissioners for the Affairs of India, has directed the abolition of the present Government Bank at Madras, and in lieu thereof has sanctioned the establishment of a Bank at Madras on the principles hereinafter set forth, and has required the Government of India to pass an Act of Incorporation for the same;

I. It is therefore hereby enacted, that from the 1st day of July next ensuing, in the year of our Lord 1848, the persons whose names are included in the Schedule hereunto annexed having severally subscribed and signed their acceptance of the terms of incorporation specified in this Act, and with the Government of Madras on the part of the East India Company having paid into the Government Treasury the amount of Capital Stock subscribed by them respectively and taken receipts for the same from the Sub-Treasurer to the Government of Fort Saint George shall, together with the Governor in Council for the time being of the Presidency of Madras, be a Corporation Body Corporate and Politic by name of the Bank of Madras, with perpetual succession to them and the persons as Proprietors for the time being of the said Bank as hereinafter mentioned and provided shall possess and enjoy all the rights, privileges, and immunities incident by law to a corporation aggregate.

Provided however that it shall be lawful to the Governor General of India in Council at any time before the 1st of September next, to rectify any errors in the Schedule of the said Proprietors by notice in the Official Gazettes of Calcutta and Madras, so that no alteration be made in the principles upon which such Schedule has been framed.

II. And it is hereby declared and provided, that if any of the persons whose names are in the said Schedule shall have failed to make good their subscriptions on or before the 1st day of May last past, the Shares to which such names are attached were claimable and might be taken by the persons who having made applications for Shares which were received after the prescribed amount of Capital had been taken and subscribed for by the parties in the said Schedule, had been permitted to have their said applications registered as received: and the Shares which shall have so lapsed having been tendered to such applicants in the order of such registry according to the list given in to the Governor in Council at Fort Saint George, shall be and are the property of such persons provided they shall have in the manner heretofore mentioned paid up their subscriptions on or before the 20th day of May last past. And in the event of there having remained any unpaid Shares after the parties whose names had been so registered had thus had the option of completing the payments due on such Shares, then such remaining unpaid Shares are declared to have been at the disposal of a General Meeting of the Proprietors convened for that purpose: And it is hereby enacted, that the persons who shall have become the Proprietors of the lapsed Shares in the manner above provided or under an appropriation made at such General Meeting of Proprietors by payment of the amount subscribed shall be considered to belong, and shall to all intents and purposes belong to the Corporation Body Corporate and Politic by name of the Bank of Madras, and shall possess and enjoy all the rights, privileges and immunities the same as the persons according to the Original Schedule who shall have paid up their Subscriptions on or before the 1st day of May last past. THE following Form of Prayer and Thanksgiving to Almighty God for the safe delivery of the Queen and the happy birth of a Princess, is, with the concurrence of His Honor the Deputy Governor, directed by the Bishop to be read by the Chaplains and Clergy in this Diocese on the Sunday subsequent to the receipt of this notice, at Morning and Evening Service before the General Thanksgiving, and as commanded by the Privy Council at Home.

By order of the Lord Bishop, dated at Calcutta, this 16th day of June, 1843,

WM. HY. ABBOTT,  
Regt. and Secretary.

\* O Merciful Lord and Heavenly Father, by whose gracious gift mankind is increased, we most humbly offer unto Thee our hearty thanks for Thy great goodness vouchsafed to Thy people, in delivering Thy servant our Sovereign Lady the Queen, from the perils of childbirth, and given her the blessing of a daughter. Continue, we beseech Thee, Thy fatherly care over her; support and comfort her in the hours of weakness, and day by day renew her strength. Preserve the infant Princess from whatever is hurtful either to body or soul, and adorn her, as she advances in years, with every Christian virtue. Regard with thine especial favour our Queen and her Royal Consort, that they may long live together in the enjoyment of all earthly happiness, and may finally be made partakers of everlasting glory. Implant in the hearts of Thy people a deep sense of Thy manifold mercies, and give us grace to show forth our thankfulness by dutiful affection to our Sovereign, by brotherly love one towards another, and by constant obedience to Thy commandments; so that, passing through this life in Thy faith and fear, we may in the life to come be received into Thy heavenly kingdom, through the merits and mediation of Thy Blessed Son Jesus Christ our Lord. Amen."

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 14th June 1843, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. IX. OF 1843.

*For the Incorporation of a Bank at Madras.*

Whereas the Hon'ble Court of Directors of the East India Company, by and with the approbation of the Board of Commissioners for the Affairs of India, has directed the abolition of the present Government Bank at Madras, and in lieu thereof has sanctioned the establishment of a Bank at Madras on the principles hereinafter set forth, and has required the Government of India to pass an Act of Incorporation for the same;

I. It is therefore hereby enacted, that from the 1st day of July next ensuing, in the year of our Lord 1843, the persons whose names are included in the Schedule hereunto annexed, having severally subscribed and signed their acceptance of the terms of incorporation specified in this Act, and with the Government of Madras on the part of the East India Company having paid into the Government Treasury the amount of Capital Stock subscribed by them respectively and taken receipts for the same from the Sub-Treasurer to the Government of Fort Saint George shall, together with the Governor in Council for the time being of the Presidency of Madras, be a Corporation Body Corporate and Politic by name of the Bank of Madras, with perpetual succession to them and their successors as Proprietors for the time being of the said Bank as hereinafter mentioned and provided, and shall possess and enjoy all the rights, privileges, and immunities incident by law to a corporation aggregate.

Provided however that it shall be lawful to the Governor General of India in Council at any time before the 1st of September next, to rectify any errors in the Schedule of the said Proprietors by notice in the Official Gazettes of Calcutta and Madras, so that no alteration be made in the principles upon which such Schedule has been framed.

II. And it is hereby declared and provided, that if any of the persons whose names are in the said Schedule shall have failed to make good their subscriptions on or before the 1st day of May last past, the Shares to which such names are attached were claimable and might be taken by the persons who having made applications for Shares which were received after the prescribed amount of Capital had been taken and subscribed for by the parties in the said Schedule, had been permitted to have their said applications registered as received: and the Shares which shall have so lapsed having been tendered to such applicants in the order of such registry according to the list given in to the Governor in Council at Fort Saint George, shall be and are the property of such persons provided they shall have in the manner heretofore mentioned paid up their subscriptions on or before the 20th day of May last past. And in the event of there having remained any unpaid Shares after the parties whose names had been so registered had thus had the option of completing the payments due on such Shares, then such remaining unpaid Shares are declared to have been at the disposal of a General Meeting of the Proprietors convened for that purpose: And it is hereby enacted, that the persons who shall have become the Proprietors of the lapsed Shares in the manner above provided or under an appropriation made at such General Meeting of Proprietors by payment of the amount subscribed shall be considered to belong, and shall to all intents and purposes belong to the Corporation Body Corporate and Politic by name of the Bank of Madras, and shall possess and enjoy all the rights, privileges and immunities the same as the persons according to the Original Schedule who shall have paid up their Subscriptions on or before the 1st day of May last past. AND it is hereby declared and required that as soon after the promulgation of this Act, as may be practicable, the Governor in Council at Fort Saint George shall publish in the Official Gazette of that Presidency a Schedule of the Proprietors of the Bank of Madras as incorporated under the provisions of this Act, and that the same shall be transmitted to be republished in the Official Gazette of Calcutta.

III. And it is hereby enacted, that the Capital Stock of the Bank of Madras shall be Thirty Lakhs of Rupees, whereof Three Lakhs shall be the property of the Governor in Council of Madras, for the time being on behalf of the East India Company, and the persons whose names are in the Schedule hereunto annexed, or in any Schedule corrected in the manner provided for in the 1st Section of this Act, or whose names shall be in the Schedule published by order of the Governor in Council at Fort St. George in the Official Gazette of that Presidency as required in Section II. of this Act, shall be Proprietors of the Shares of the said Capital Stock set against their names respectively.

IV. And it is hereby enacted, that it shall be in the power of the Governor General of India in Council, from time to time, by an Order duly published in the Official Gazettes of Calcutta, and of Madras, to authorise the said Capital Stock to be increased, and to make such order and direction for the opening of Subscriptions towards such increase of Capital as to him may seem fit, giving due notice thereof to the Proprietors of the said Bank for the time being, and allowing to them a period of not less than twelve months to fill up such Subscription themselves, and likewise to prescribe in what manner and form the Proprietors shall subscribe and pay into the said Bank the proportion of New Stock to which they may respectively be entitled; and also to make such order and direction as to him the said Governor General in Council may seem fit for the disposal of the amount of New Stock that may not be subscribed for, and paid up by the Proprietors in the manner and form that may be so prescribed:

VI. And it is hereby enacted, that on the said 1st day of July 1843, or on some early day after that date, provided the Subscriptions have been paid up as above prescribed, the Governor in Council of Madras shall notify in the Official Gazette of that Presidency that the Bank of Madras being incorporated as above provided, shall from the date of such notification be opened for the transaction of all manner of business authorized by this Act, and the said Bank shall and may sue and be sued by its Corporate name, and shall and may use such common Seal as the Directors of the said Bank shall from time to time appoint, and shall be competent to acquire and hold either absolutely or conditionally, for a term or in perpetuity, any description of property whatever, and to transfer and convey the same.
